Astrologer Derek Hawkins gives us his unique and intuitive take on 2012. Predicted by many to be a time of huge changes which include: a shift in the magnetic poles, solar storms, passing comets, sudden shifts in our awareness and even the end of the world!

In his talk Derek will discuss how the major planets of our solar system are influencing our world at this time, particularly the rare alignment known as the ‘finger of fate’ which is set to occur on 21st/22nd December 2012, and how it will affect each of the 12 zodiac signs. Derek’s talks are informative and entertaining; he brings astrology alive in his unique way.

Derek is a counsellor, healer, and teacher working through the medium of astrology. He runs workshops throughout the UK and in Europe. His practice is now based in Hungerford Berkshire.

Derek’s astrological diaries, calendars and cards will be available to purchase on the night.
